

NOTICE OF DUPLICATE PUBLICATION

The article "The use of mitomycin-C for respiratory papillomas. Clinical, histologic and biochemical correlation" by Ashraf Hamza, Manal Nasr, and Akram Deghady published in the November 2005 issue of Saudi Medical Journal¹ is identical to an article, by the same authors, published in the Saudi Journal of Oto-Rhino-Laryngology Head and Neck Surgery in July 2005.² It is the judgment of the Editors that this overlap represents duplicate publication.

1. Hamza AH, Nasr MM, Deghady AA. The use of mitomycin-C for respiratory papillomas. Clinical, histologic and biochemical correlation. *Saudi Med J* 2005; 26: 1737-1745.
2. Hamza A, Nasr M, Deghady A. The use of mitomycin-C for respiratory papillomas: clinical, histologic and bio-chemical correlation. *Saudi Journal of Oto-Rhino-Laryngology Head and Neck Surgery* 2005; 7: 98-107.
